Marylebone Square is a stunning new development located in the heart of Marylebone Village.

This spacious and stunning 1 Bed + Study with a balcony offers 959 Sq Ft in the first New Build development in Marylebone in the last ten years.

Marylebone Square has been designed by Simon Bowden Architecture and with interiors by LIV Interiors.

The centrepiece of the building is an open courtyard with an expansive glass roof, filling the area with daylight, while open sides bring in fresh air. In keeping with its naturalistic quality, the courtyard is filled with plants and a water feature, instilling a sense of Feng Shui and wellbeing. Access to the apartments is by individual bridges and walkways, making it an open yet intimate entrance space.

Floor to ceiling windows and glass sliding doors invite an influx of natural light.

Marylebone Square provides easy access to Paddington, Marylebone and Baker Street Stations, or Bond

ab to the Royal Opera House and London's West End, or take a stroll to Selfridges. For weekend walks and relaxing summer evenings, Marylebone Square is equidistant between two of London's Royal Parks, Regents Park and Hyde Park.

Marylebone Square has an estimated completion of Q4 2021 and complies with a 10 year build warranty by NHBC. All measurements are approximate and photographs provided for guidance only.
