Designed from the inside out, and with

an enviable central London location, W1 Place

is perfect for the discerning individual, the

professional couple and the modern family.

The highly crafted quality throughout the

building means you'll be feeling that reassuring click with every door you close, and

the satisfying sound of your feet on the oak

floor. Light pours in through the floor-toceiling

bay windows, creating a sense of both

openness and warmth, while the open-plan

living and kitchen areas provide a thoroughly

modern space to host your friends or enjoy a

cosy night in. The selection of one, two and

three-bed layouts provide luxurious living,

designed with you at the heart.

The 37 unit scheme will include a selection of one, two and three

amed street.

The exterior boasts a bright, natural limestone façade coupled with bronze-coloured

French windows. Inspired by the distinctive glaze of Japanese porcelain, the building's balustrades introduce additional artistic flair and texture as well as frame the windows from the outside in.
