Kate Brookfield x Vita Properties are proud to present this exceptional detached, double-fronted home set on the highly sought-after Mapesbury Estate, NW2.

Spanning approximately 3,800 sq ft (including a charming summer house), this stunning residence boasts a 59m west-facing garden and off-street parking. From the street, the home makes a striking first impression, with a beautifully manicured front garden and wisteria arching over the wide porched entrance.

Inside, the home has been thoughtfully restored, with original period features carefully preserved and reinstated to celebrate the charm and character of this Victorian property. Two well-proportioned reception rooms sit either side of the entrance hall—one currently used as a study, the other as a sitting room. To the rear, an expansive open-plan kitchen, living, dining, and day room connects via two openings with the garden. The delightful garden also features a summer house, currently used as a sauna. A large utility room with a separate side entrance and a guest WC complete the ground floor.
