Kate Brookfield x Vita Collaborations Present a Beautiful Ground Floor Apartment Moments from Queen's Park & Kensal Rise

This light-filled and beautifully presented ground floor apartment is located just moments from Queen's Park and Kensal Rise. Offered with a share of freehold, the property benefits from a private courtyard and landscaped garden, blending period charm with stylish interiors.

A generous double bedroom sits at the front of the apartment, featuring a large window and two tall wardrobes fitted either side of the chimney breast. Throughout the home, original white-painted wooden floors and high ceilings create a bright, airy feel.

At the heart of the apartment is a cosy living area with bespoke library shelving and a charming window seat with storage, offering the perfect spot to relax and enjoy views of the garden.

The kitchen/dining room features Shaker-style cabinetry and Crittall-style doors leading out to the private courtyard. To the rear, a stylish bathroom is fitted with Bert & May floor tiles, a separate shower and bath, and walls painted in Farrow & Ball's 'Sulking Room Pink'.

The apartment enjoys private use of a side courtyard directly off the kitchen and the front section of the rear garden, which has been thoughtfully landscaped by the current owner to create a peaceful and pretty outdoor space.

"I was very impressed with Vita and their network of buyers. When the sale of my flat fell through (twice) they worked extremely hard to find new buyers in a difficult market - thank you!"

"Working with Vita properties has been a smooth experience! No complaints at all. Our letting agent, Diana has been fantastic and very helpful throughout the whole process. I would highly recommend both Vita properties and Diana."

"I used Vita properties to find a flat recently and it was an overall professional, personalised and positive experience. Saira went the extra mile to accommodate to our needs and quick to help us whenever possible."
