

# Buckingham Mansions

WEST END LANE, WEST HAMPSTEAD, LONDON NW6

£1,500,000

The image shows a close-up, low-angle view of a multi-story brick building. The building's facade is made of red brick with white-painted window frames and decorative moldings. A prominent white architectural element, possibly a balcony or a wide ledge, runs diagonally across the lower-left portion of the frame. On this white surface, the words "BUCKINGHAM" and "MANSIONS" are mounted in dark, raised, serif capital letters, arranged in two lines. The background shows more of the brick building and several windows, some of which are slightly out of focus. The lighting is bright, suggesting a clear day.
