

Chambers Lane
WILLESDEN, LONDON NW10

£1,400,000

Perfectly positioned between Willesden and Kensal Rise, this home offers excellent proportions and close to 2,000 sq ft of internal space. Set in an elevated position, the house is arranged over three floors and features two generous reception rooms, a large kitchen/dining room with bi-fold doors opening onto an east facing garden, as well as a garden studio, bringing the total usable space to over 2,200 sq ft.

The first floor comprises four double bedrooms and a family bathroom, while the second floor features a spacious principal bedroom with an en-suite shower room and Juliet balcony.

The standout features of this home are its original period details, high ceilings, and exceptional proportions. There is further scope to extend into the side return (STPP), although the current owners have never felt the need to expand beyond the already generous living spaces.

This is an excellent home for a growing family seeking convenience, with excellent local amenities, transport links, and schools nearby.
