Harlesden Gardens

HARLESDEN, LONDON NW10

£600,000

Kate Brookfield presents this newly renovated and extended garden apartment on Harlesden Gardens, NW10.

These impressive houses are renowned for their exceptional proportions, and this beautifully presented two bedroom, two bathroom ground floor apartment is no exception. Offering generous living spaces, high ceilings and an abundance of natural light throughout, the property has been thoughtfully renovated and extended to create a stylish and comfortable home.

Entering through the beautiful original main front door, you step into a recently renovated communal entrance, shared with just one other apartment on the first floor.

Inside the apartment, the spacious principal bedroom immediately impresses, with soaring ceilings, excellent natural light and elegant pendant lights positioned either side of the bed. A beautifully finished en suite shower room features green tiling and brushed brass fittings.

A further generous double bedroom is positioned towards the centre of the apartment, with two windows overlooking the internal courtyard.

Moving towards the rear of the property, you pass the main bathroom, finished with white marble effect tiles and brushed brass fittings, before arriving at the impressive open-plan kitchen and living space. This wonderful room is flooded with natural light from multiple windows and skylights, while large bi-fold doors open directly onto the garden.

The contemporary kitchen has been carefully designed with walnut style cabinetry, Calacatta Gold quartz worktops and a range of integrated appliances, creating a sophisticated yet practical space that works seamlessly with the generous living area.

Outside, the living space opens onto a private patio, with steps leading up to a wonderful 39ft west facing garden. The garden is further complemented by a sunny side courtyard, which benefits from a gate providing direct access to the front of the building.

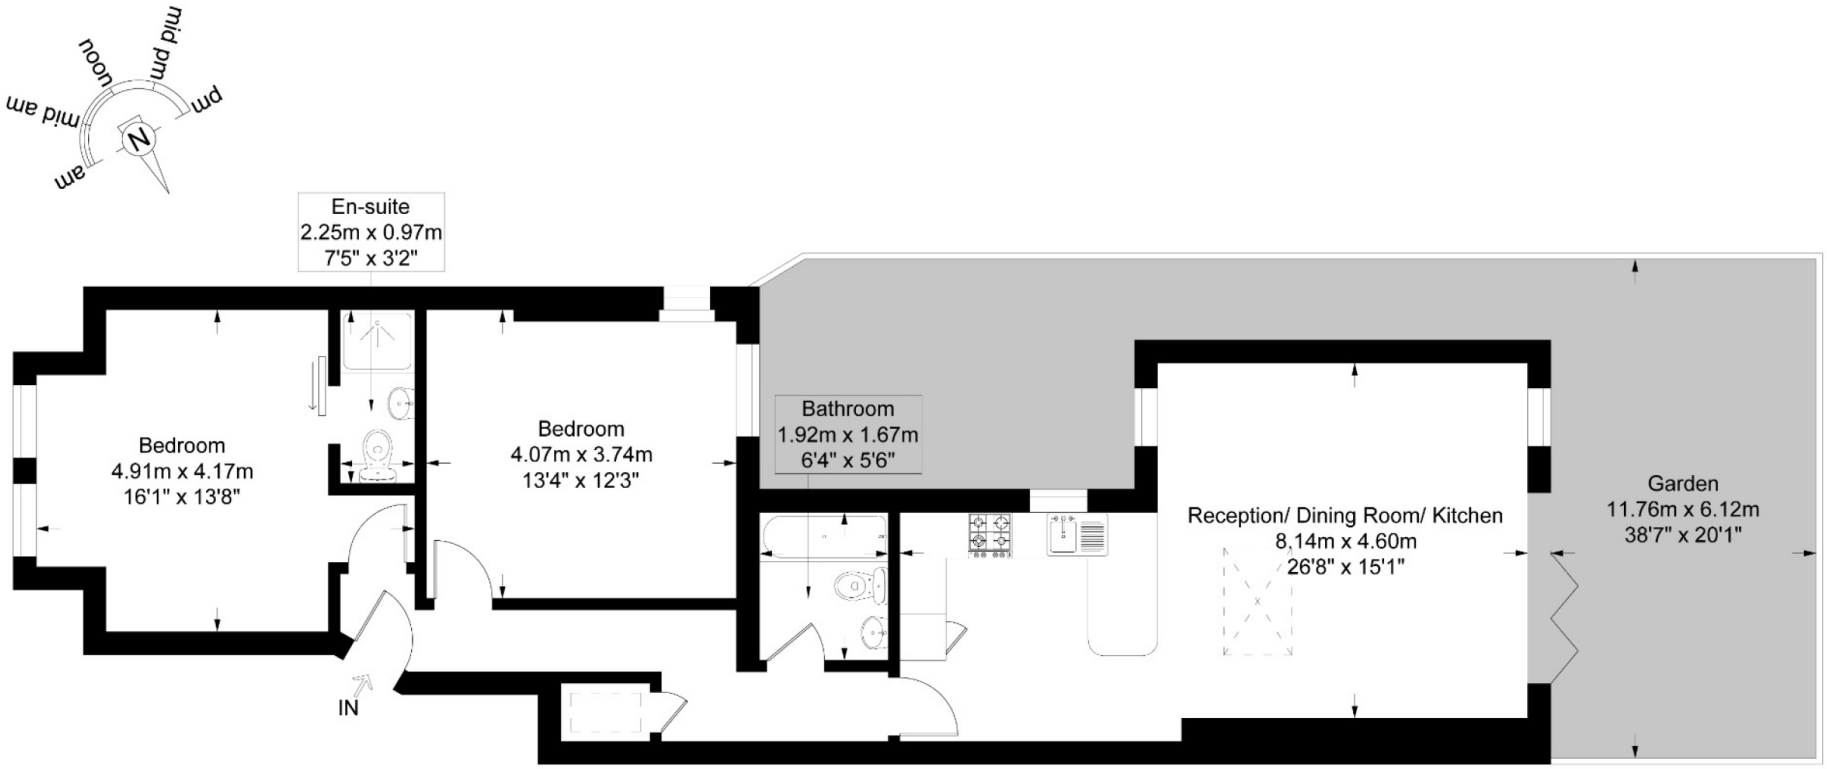

Harlesden Gardens, NW10

Approximate Gross Internal Area = 867 sq ft / 80.5 sq m

Ground Floor

This plan is for layout guidance only and is not drawn to scale unless stated. All dimensions, including windows, doors, and the Total Gross Internal Area (GIA), are approximate. For precise measurements, please consult a qualified architect or surveyor before making any decisions based on this plan.
